

No longer applicable - EudraCT results: activation of a results user role

The present document is no longer applicable as of August 7th, 2024. See message below:

The [Multi-Factor Authentication \(MFA\)](#) is active when logging in EudraCT. To access the website for the purpose of submitting [results](#) or a [third country file](#), users can [log in EudraCT](#) using their EMA username followed by '@id.ema.europa.eu' and password, and proceed through [setting up their MFA](#). Full instructions can be found [here](#). In addition, users are no longer required to ask for a 'results user role', but can directly [request the primary user assignment of trials](#), when they need to post results for their trials.

The [Frequently Asked Questions](#) have been updated accordingly.
